Parents:

The Central Okanagan Public Schools' Appeal Process Policy 460 – Appeals states that “A student or a parent of a student who is entitled to an educational program in the Central Okanagan Public Schools may appeal a decision of an employee of the Board of Education which significantly affects the education, health, or safety of the student”. For a complete description of the Appeals Policy along with the recommended steps to follow in attempting to solve a problem, please refer to Policy 460 – Appeals that can be accessed from the Policies link under the Board of Education heading on the Central Okanagan Public Schools homepage at www.sd23.bc.ca.

The Central Okanagan Public Schools' Financial Hardship Clause Within Board Policy Regulation 425R – Student Fees (www.sd23.bc.ca), the Board of Education has indicated “that a student will not be excluded from any educational program due to financial hardship”. This clause in the Regulations provides for the private and confidential consideration of financial circumstances of individual students and families, while preserving the dignity of families which may be unable to pay. Please contact the school Principal if you are facing a financial hardship that may restrict the ability of your child to access a school program.

Accident Insurance

Central Okanagan Public Schools does not insure expenses for **student injuries** that occur on school grounds or during school activities. Parents and guardians can voluntarily purchase private accident insurance. The Kids Plus Accident Insurance Program that was previously offered to our students was discontinued in 2019. The IA Financial Group now offers the Family Accident Reimbursement Plan (FARP) which is a voluntary plan that provides coverage for students and their families against accidental injury, unexpected medical expenses, and critical illness.
