Let's help

Decorate

the RVE Sock Tree!

November 25-
December 16th

Please help fill the RVE Christmas tree with new socks for the homeless!

Proper **socks** can provide a simple and very **important** layer of protection between feet and limb threatening conditions. Access to clean, dry **socks** helps avoid foot infections. Poor circulation also puts feet at risk every day. Keeping socks clean and dry is challenging when you live without shelter.

Items can be placed on or around the tree until December 16th.

Note: *Items are for adults so no children's wear please.

*Other clothing cannot be accepted due to a lack of storage

Please Note: this is our schedule for the December Christmas Concert.
