Thanks so much to the RVE community for another successful Book Fair! Along with getting books into the hands of our students, we managed to raise over \$1500 which will go towards more books and resources for our Library, as well supporting Library programs like the upcoming Author visit!

Congratulations to Everly Lowe, the winner, of the Scholastic Book Draw!

Thanks to all our volunteers who helped make this event successful. We could not have done it without your help.

Hello everyone

It's me Jenni, your friendly neighborhood hot lunch lady 😊.

This week we will have both hot lunch and pizza.

This week's hot lunch will be Pasta.

If your child will be away and has ordered please let us know by 10am. The order will be available for you to pick up at the kiosk at 1130. If your child is away and we do not know them your child's order will be given to a child with no lunch.

*Please note that this does not apply to field trips.

If you have already registered for hot lunch it's not too late. Please go to <http://www.rve.hotlunches.net/>. From this please click on Register. The access code that you need is funlunch.

Please register your child even if you do not plan to order hot lunch as this is the way that the pac communicates with parents.

For the kids who have not ordered hot lunch or if you parents think that your kids deserve a special treat, please know that the kiosk will be open for all students. The youngest ones will be brought down by their lunch monitors.

This week for Wednesday we will have the following available for the kids.
